

Which is Best Bible School (College) in Canada or USA for a "One Year" Concentrated "Bible Course?"

A mission leader asked me this question recently as he wants to send each of his six grandchildren for "one year bible study" before they begin university.

Listed below are a few suggested schools which offer a special one year course in the Word of God.

Can you suggest others and why?

One year Bible Programs

United States

1. Montana Wilderness School of Bible, August, MT (near Great Falls & Helena, MT)
